Jay & Carey Rostorfer, Assemblies of God Missionaries to Madagascar

Special thanks to all of the churches who have had us for a service in the last year. By the time we leave the country we will have visited over 140 churches and traveled over 40,000 miles by car.

Preparing to

Return

After over a year in America, we are excited to start looking forward to our soon return to Madagascar. We are scheduled to return by the end of the year. But that means there is much for us to do before we leave. We are preparing materials for shipment; things that we will need over the next four years. We must begin paperwork for visas. We will continue to travel and visit churches. There will be the many goodbyes as we prepare for this transition. Pray for us during this time that God will help us take care of everything we need to do. Pray for the girls as they will soon be leaving this culture to return to their other life in Madagascar.

Almost There!

We are almost finished raising our financial budget. We are at 90%! We only need 10% more (almost \$1000) in monthly committed support. Will you consider making a faith promise towards our ministry?

Parle Vous Francais?

(Do You Speak French?) Pray for us as we return that God will help us transition back to a foreign land, culture and language. The girls will continue studying French and we (Carey & Jay) will begin again to learn the Malagasy language.

New Tool for Evangelism!

Book of Hope, an A/G ministry, has recently finished the Godman video for Madagascar. It is a computer generated, photo realistic animated version of the book of hope that tells the story of Jesus. Pray with us that this powerful tool will be used to touch millions of children!

Family News

Baptisms: On Sunday Evening, September 30, Jael & Candace were both baptized at their Uncle's house, only a short distance from where Jay was baptized in a creek on the family farm. Family was there to witness this important moment in the lives of the girls. We rejoice in God's saving grace!
