Jay & Carey Rostorfer, Assemblies of God Missionaries to Madagascar

Merry Christmas from the Rostorfer Family to all of our wonderful brothers and sisters in Christ. May you truly sense the real reason we celebrate during this season. The Birth of Jesus the Christ!

The Countdown begins!

As amazing as it sounds, we are counting down the days until we return to Madagascar! We are scheduled to fly back to Madagascar on December 31st. We will arrive late on the evening of January 1, 2008. What a wonderful way to begin the new year! We have received all of the necessary permissions from the Assemblies of God to return. We have purchased the plane tickets, obtained visas & have even begun to pack bags for the trip. In addition we have already sent ahead a shipment of personal items that we will need over the next four years. Over the next few weeks we will be closing our home and preparing to say our goodbyes.

Special Thanks!

Words cannot begin to express how much we appreciate all of our supporters who pray and give to our ministry on a monthly basis. You are the reason we are able to return to the work God has called us to do. Thank you for being so consistent in your giving. Without your faithfulness, we would not be empowered to touch those God has called us to. Our dependence is on God, but we are glad He chooses to use people like you to fulfill His work!

Our Work

So what will we be doing when we return to Madagascar? Our work will continue to focus on the area of church planting and evangelism as our main area of ministry. We want to continue to influence and empower the Malagasy believers to reach their communities in every way possible. We will continue to work with training new Pastors through our Bible School and extension centers. Well trained leaders are the hope of our church. We also look forward to being available to do whatever other ministry opportunities God places before us.

Prayer focus

- Safety as we travel on December 31st.
- To find a house in Madagascar quickly that will meet the needs of our family.
- Health: that our bodies will adjust easily back to life in Madagascar.
- God's favor as we apply for long-term visas.
- For the sale of our two vehicles here in America.
